EXPERIENCE

Full-Stack Development, Remote — *Freelance*

February 2024 - PRESENT

I have just earned my full stack development certificate from the SMU coding boot camp and am now breaking into the freelance world

Evolution Moving Company, Fort Worth — *Crew Lead*

March 2020 - January 2024

At Evolution I was a crew lead which means I drive the trucks and am responsible for the safety and effectiveness of my crew.

EDUCATION

Southern Methodist University, Dallas — *Certificate*

September 2023 - February 2024

I have completed a 6 month Full-Stack development course from Southern Methodist University

Tarrant County College, Fort Worth — *Associate Degree*

September 2018 - December 2021

I have graduated with my associates degree from Tarrant county college in 2021 and now I will continue to pursue my computer science degree from UTA.
